

COMBINED EVENTS

SUNDAY PREGAME SHOW

Sundays will take on a new look September 21st. We will be moving our SIT-IN to the 10:30 service and beginning what's called the PREGAME SHOW at 9am. This is not meant to be a Sunday school class or a replacement for the service. We are providing a "pre-game" before the service in order to prepare to SIT IN at 10:30am. We will prepare by discussing the sermon (I will have the sermon notes ahead of time) and giving students things to look for in the upcoming service which we will all sit together in. We understand that rides may be an issue for parents that only attend the 9am service- in those cases we may be able to provide transportation. The goal is still for students to experience congregational worship alongside other generations but now they will have the opportunity to prepare during the PREGAME SHOW.

Friday Night Flick

Every third Friday of the month we are providing a movie night for both **Shock** and **Connection**. Parents are invited to crash if they want to. **There's a catch— you must be ready to interact!** Too often we just **consume without processing—** this night is designed to challenge that. We desire for students to be able to look for evidences of God interwoven in popular culture

Upcoming Flicks:

September 18th – 6:30-9 Count of Monte Cristo

October 16th - 6:30-9 The Truman Show

November 20th - 6:30-9 Knowing
