

HEADS UP PARENTS

WEEK OF MAY 31 AND JUNE 3

Our desire is for parents to be connected to youth ministry and the spiritual growth of their student. In order for this to be a possibility we are attempting to provide as much communication as possible to what is taking place in the youth ministry lives of your student. Be sure to check out the topics we will be discussing so you may be ready and prepared to talk to your student about what they are studying and learning in youth group. You can find these topics listed on our calendar.

Last Sunday night for Plug-In and last Wednesday night for Shock we prepared students for the upcoming sermon series: One Month to Live. We asked the question, “How would you live your life if you had one month left to live?” Tim McGraw had a popular song a few years ago entitled “Live like You Were Dying.” Why should it take death to inspire us to live when as Christians we have the gift to live like we are alive? The death of Christ has given us the opportunity to LIVE- Eternal life starts upon being born again! This life was never meant to be treated as a waiting room to get to heaven, our challenge to the students was to take advantage of eternal life now by practicing things of heaven such as dependency on God and seeking to know Him more and more (two things that will never end).

Some passages to look into:

1 Peter 1
Galatians 2:20
John 4:14
Ephesians 2:5

A song to listen to:

“Live like we’re alive” by: Nevertheless

Interaction with your student:

- **Ask them: What are some ways that we can practice dependency on God today?**
- **Read Galatians 2:20 together and discuss what it means to be crucified with Christ and also what it means to have life through death.**
- **Look through 1 Peter 1 together and list the things obtain through Christ**
