GENESIS 19:1-29

4/13/22

What does the Bible tell us about the doctrine of angels (Angelology)?

What does Lot's "sitting in the gateway of the city" tell you about how engaged he was in the culture?

In verse 14 Lot's son-in-law's thought he was joking about the impending judgement of the Lord. What does their response potentially tell you about their relationship with Lot?

What's your experience with talking to your family about the hard truth of the Bible? How often do you initiate conversation around truth like Jesus is the only way, Heaven & Hell, Judgement, end times, etc.

Why were they told not to look back when fleeing?

Why didn't Lot want to flee to the mountains?

What are your thoughts around Lot's wife looking back as well as the consequences?

What attributes of God are evident throughout this story?
