How would you define community?

What is your experience with community?

How can community be challenging?

The Bible describes the community of believers as one in spirit, heart and mind. Jonathan & David are described as one in spirit as well. Share your experience within relationships that you'd describe as one in spirit, heart and or mind?

"One another" is two words in English, but one word in Greek and it's used 100 times in 94 New Testament verses and 47 of those verse are instructions to followers of Jesus. What does this tell us?

Why is loving others such a big deal to God?

How do you get to where God is calling you to love?

What do YOU need prayer for?
