### GENESIS 14

2/23/22

In Genesis 13:12 it indicates that Lot pitched his tent near Sodom. Do you think he knew how God viewed those living in Sodom and if so, why would he want to live in close proximity to them?

In Genesis 14:12 it indicates that Lot was living in Sodom. What are your thoughts about his move from the outskirts to inside the city?

What are your thoughts about Abram's choice to try and rescue Lot?

- How much are we to give, risk or provide for our family members?
- What are your thoughts on 1 Timothy 5:8?

After the defeat, Abram interacts with two kings, Melchizedek King of Salem and Bera King of Sodom. Bera is there to negotiate the return of his people and Melchizedek is there with provisions to celebrate the victory.

- Why does Abram give a tenth of everything to Melchizedek?
- Why doesn't Abram take goods from Bera?

Who is Melchizedek and why is he significant (Genesis 14:18; Psalm 110:4; Hebrews 5:6, 10; 6:20; 7:1, 10-11, 15, 17)?

How would you sum up Genesis 14 in one word?
