Acts 9:19-31

Acts 9:22 indicates that Saul grew more and more powerful. What does Acts 9:22 mean, what do you think the growth and power looked like?

Recently, how have you seen God's increasing strength and growth in your life? Be specific!

The disciples were fearful of Saul and the Jews wanted to kill him. How often do you feel like a stranger in a strange land?

On more than one occasion the believers rallied to save Saul's life. What's your experience with coming alongside those that oppose you, annoy you or that you're not fond of?

The Greek word for peace in Acts 9:31 is defined as "wholeness, when all the essential parts are joined together". Do you think we can get there?

What do you need prayer for?
