Acts 9:32-43

Peter “traveled” about the country at God’s direction to visit the Lord’s people.

- **How did he know where and when to go?**
- **How willing are you to go?**
 - **To “visit” the Lord’s people?**
 - **To “visit” those He put in your web of influence who are battling?**

Identify scripture that communicates that we are all God’s instruments and co-laborers.

Why did the disciples essentially beg Peter to come to Joppa?

Contrast Acts 9:39-42 & Mark 5:21-43, what are your observations and convictions?

The healing & raising mirror similar miraculous works of Jesus as well as how God moved through Elijah & Elisha. God works through His servants to reveal His saving power. What are your convictions about the distinct power demonstrated then and where we are today as His church?

What do you need prayer for?
