

BRIDGE 2.0
GENESIS 12:10-20
2/9/22

Should Abram have inquired of God before going to Egypt?

Wouldn't God have provided for Abram & Sarai if they didn't go to Egypt (based on His covenant)?

If Abram believed his steps were of God, why didn't he trust God to protect Sarai from the Egyptians?

What drove Abram to be deceitful?

What does Abram's deceitfulness tell us about his relationship with God?

Why do you think Abram doubted God's promises even though they were so specific?

What circumstances are tempting for you to be deceitful in?

What promises of God do you battle living completely within?

Why does God show us the fallibility of others in His Word?

How would you describe this chapter in one word?
