GENESIS 18:1-15

3/30/22

What are your thoughts on the Lord appearing to Abraham?

Did Abraham recognize the Lord and or the three men as of or from God?

Words like ran, hurried, bowed and quick are used to describe Abraham's response to the three men's presence. What are your thoughts about Abraham's response?

What word or words would you use describe your response to God's presence?

Do you invite in the Lord's presence and if so, how? Do you invite the Lord's presence to stay?

Why did the three ask about the whereabouts of Sarah?

Do you think this is the first time Sarah was made aware of this promise?

What are your thoughts on Sarah denying that she laughed?

Where do you doubt? What do you battle believing?

How do you battle doubt?

"Is anything too hard for the Lord"?
